XDJ-AZ Alpha Theta

PRODUCT SPECS :

Deze schitterende **4-kanaals standalone DJ controller** heeft de layout en gevoel van de welbekende CDJ-3000 en DJM-A9. Zo voel je je direct thuis achter deze controller na het aansluiten. De full-size jogwheels zijn weer precies gemaakt zoals we van deze controllers gewend zijn. Een snelle reactie en gebruiksvriendelijk als het gaat om scratchen en het bedienen van de pitch bend. Doordat de mixer vrijwel gelijk is aan de DJM-A9 zijn alle knoppen precies te vinden waar je ze wilt hebben. De XDJ-AZ maakt jou dus helemaal klaar om te schitteren op de grote festivals en de lokale clubs!

DJM-A9 Pioneer

NEW

PRODUCT SPECS :

The 4-channel DJM-A9 raises the bar for club standard mixers – boasting huge upgrades compared to its predecessor, the DJM-900NXS2 – with stunningly clear sound quality, enhanced playability and connectivity, and a host of new features to help you take your performances to the next level. The DJM-A9 has also been improved as a musical instrument for more emotional and dynamic performances, while retaining the functions and layout that have become club standards.
